## CATCH KIDS CLUB AFTER-SCHOOL STUDENT QUESTIONNNAIRE

The following questions ask about foods and meals you eat, and what you know about nutrition and physical activity. This is not a test. We want to learn about what kids your age eat and know about nutrition and about physical activity.

The answers you give will be kept private. No one will ever know what you say unless you tell them. Your name will never be used.

Taking this survey is up to you. Your choice about taking it will not affect how you are treated in this program.

Please be as honest as you can.
