

This questionnaire asks questions about different aspects of your partnership. It will take about 10 minutes to complete.

The questionnaire allows you to express your opinions and provide information about your experiences anonymously. By answering the questions, you will help your partnership learn about its strengths and weaknesses and about steps that your partnership can take in order to improve the collaboration process. The answers that people in your partnership give will be used to generate a report for your partnership. Only the people in your partnership will have access to this report.

There are no right or wrong answers to the questions. Thoughtful and honest responses will give our Alliance the most valuable information. Please answer every question, and please check only one answer per question.
