

Practice Fusion STD QI Project
5/2/2017

Ideas for Improvement - Affinity Diagram

Practice Fusion	Process	Duplication
Combine standard steps	Create chart review list	Review OER form for duplication
Change language of diagnosis	Create updated instruction guide (replace 12 page guide)	Address vaccine duplication in documentation
Review medication template list	Clinicians send charts to Dr. Katz after 1 review by team leader	Address medication duplication in documentation
	Clinicians send charts to Dr. Katz after no external review by team leader	Address contact to disease duplication in documentation
